

Vikings Lose Number Four

Face Bucks Friday Night At Roscommon

The Grayling High Vikings dropped their fourth straight football game this season last Friday afternoon when they were defeated by the Bob Cats at Houghton Lake, 26 to 7.

The Bob Cats got off to a fast start and the make-shift Grayling eleven were no match for them. The Vikings started the contest with five regulars out of the line due to injuries and the replacements just didn't carry the weight or finesse to do the job of a varsity player.

As the game wore on Grayling improved especially on the defensive side of the ledger. By the second half, the Vikings had experimented on several defensive combinations and finally hit on one that stopped the Bob Cats ground attack dead. Only two long pass completions by the Lakers after that gained them any yardage.

But Grayling's offense was bogged down due to the light forward wall well sprinkled with subs that could not hold out the Lakers defensive line or move them around to make holes for the Grayling platoon.

On Friday night, the Vikings invaded the home field of the Roscommon Bucks and even with prospects brightened by the return to the lineup of McEvers and Davenport, Grayling's decided underdog Roscommon claims to have the best grid team in the school's history with plenty of speed, power and weight. Thus far this season they are undefeated and have been scored upon only once. The single score came as the result of a fluke pass play.

However, a Grayling-Roscommon tussle always carries plenty of rivalry and anything could happen in that type of a ball game.

At a North Central Conference meeting a short time ago, Joseph Stripe, Grayling High principal was elected as Conference President with Edging Coach Bruce Smith elected as Secretary-Treasurer.

Kiwanis Club Notes

Conservation officers Clarence Roberts of Grayling and Russell Wright of Frederic were the speakers Monday evening at the regular weekly meeting of the Kiwanis Club held at the Lone Pine Inn.

The two officers were introduced by Vice-President Max Davenport who presided in the absence of President Roy Milnes. Officer Roberts talked on hunting safety and told of the class held by himself and other conservation officers in Crawford County schools emphasizing the importance of handling guns safely.

Officers Wright told of law changes this year and following both Conservation men answered questions of club members for a considerable time. The talks and explanations of hunting problems were much enjoyed by the club members.

Maple Forest

Mr. and Mrs. Ernest Winston and Wayne spent the week end in Grand Rapids visiting the Earl Lovely family.

Aska seemed beautiful beyond belief to Jack and he will be glad to receive visitors. His new address is Pfc. Jack E. Hummel, 150th A.C. Co., 5001st Camp Wg., APO 731, c/o P. M., Seattle, Washington. He is at Fairbanks, where a hamburger and coffee at a local restaurant cost him 95c.

Charles Owen is disposing of his herd of high grade Holsteins. All of these have been tested by Dairy Herd Improvement Association, D. A. I. H., for 4 years. Mr. Owen is making a change from beef cattle to beef breed so is selling his entire herd of 25 head.

Mr. Alex Olaf of Searchmont, Ontario spent Tuesday and Wednesday visiting at the Arthur Howes.

Another change in our neighborhood is taking place as Ernest Lozon has torn down the barn on the former Art Bigham farm. Mr. Lozon will use a part of the material in construction of a tool shed on his home farm.

Visitors at the Dale Redman home on Sunday were Mr. and Mrs. Paul Blomberg of Grand Rapids and Mr. Charles Baker of Jackson.

Mrs. J. F. Cook entertained a group of little boys and girls Wednesday in celebration of her son, John's fourth birthday.

Bobby Strong was twelve years old on Wednesday.

WHAT - WHERE - WHEN

Oct. 11 - Hospital Aid. Nurses home. 1:30. Brush party. Mrs. George Smilgans, Mrs. Bertha Peterson, Mrs. Carl Strobel hostesses. Members urged to attend and bring guests.

Oct. 11 - Regular meeting of Grayling Rebekah Lodge, No. 352 on Thursday evening. Potluck, also visitation of Association officers and quilt to be given away.

Oct. 17 - Harvest dinner, Mary Martha Circle at M. M. Church. 5:30 to 7:30. \$1.50 and 75c. No tickets at door.

Oct. 18 - Benefit party at the Grange hall. Home baked goods for prizes, also Grand prize, 50c for the evening.

Oct. 19 - Rummage sale, Michelson Memorial Church, by Matilda Bauman Circle. Doors open 10 to 5. Call 8681 Mrs. Strobel or Mrs. Don Gottho 4551 for rummage collection.

Dr. Bernard Godfrey Sues State Of Michigan For Crop Damage By Deer

Principal In State's First Civil Action

Dr. Bernard M. Godfrey of Traverse City and owner of farm property in Beaver Creek and Grayling Townships in Crawford

County has filed a claim against the State of Michigan for \$5,450 for alleged damage to field crops by deer in 1946, 47, 48, 49, 50 and 1951.

Godfrey and his tenant farmer, Bernard Maurer were principals in a precedent setting case held in the July term of Circuit Court here last year. In the first civil action ever taken by the State the two men were sued by the State Conservation Department for \$5,000 damages for a mass killing of deer on their property which the two men said were damaging their crops. Circuit Judge John K. Shaffer found in favor of the Department but gave them a judgement of but 6c. The trial lasted for two days and Godfrey freely admitted killing the deer.

Nearly 50 deer scalps found at the farm were entered as evidence in the case by Conservation Department Officers.

Dr. Godfrey's claim against the State reads in part as follows: That for the years 1946, 47, 48, 49, 50 and 51 the petitioner herein suffered serious crop loss and other damage as hereinafter contained in the Bill of Particulars.

That despite the issuance of deer killing permits in certain years, and despite any other assistance that might have been rendered by the State of Michigan, and despite all efforts taken on the part of the petitioner herein to protect his crop, the crop loss hereinafter recited in the Bill of Particulars was suffered.

That the petitioner herein has frequently and repeatedly requested all forms of assistance that might be rendered by the State of Michigan and has been denied such assistance from the State Department of Conservation, that the petitioner herein has been cooperative toward the end of securing assistance as possible, that the petitioner herein has taken numerous precautions to protect his property and despite the assistance rendered by the State, the precaution taken by the petitioner taken on the part of the petitioner herein, the loss hereinafter recited has been suffered by the petitioner and at the hands of the deer, which deer are the property of the State of Michigan.

Wherefore the petitioner prays, That the Michigan State Board of Auditors award to the petitioner herein damages in the amount of \$5,450.

Wed In Double Ring Ceremony

Miss Marilyn Hamilton, daughter of Mr. and Mrs. A. B. Hamilton of Roscommon, became the bride of Sgt. Dannie Snyder, son of Mr. and Mrs. Arden L. Snyder of Grayling, in a double ring ceremony at Michelson Memorial Church on October 3. Rev. R. C. Puffer officiated.

Mr. and Mrs. Glen Garner of Roscommon, friends of the bride, were attendants. The bride wore a dark brown suit with gold accessories and her matron of honor wore a blue suit trimmed with white fur.

The happy couple will reside near Fort Sheridan, Illinois, where Dannie is stationed at the present time.

The best wishes of their many friends are extended to the newlyweds.

Crawford County Grange Marks 50th Anniversary

The Fiftieth Anniversary of the Crawford County Grange was celebrated at the Grange Hall Sat. Sept. 29th. beginning with a banquet held in the basement of the hall at six thirty. The Grange colors, green, rose and gold were carried out in the decorations.

The tables were decorated with cedar and autumn leaves, and green candles tied with rose and gold bows centered with tiny gold tinted acorns, and vases of late summer flowers. At one end of the dining room was a banner of green, rose, and gold centered with a large golden 50. Under the banner a buffet was centered with an anniversary cake made to represent a farm yard, including a red barn and silo and farm animals inside of a fence. The cake was graced on either side with green candles and vases of glads. After dinner everyone went upstairs where there were displays of flowers, embroidery work, and farm produce. A very large pumpkin was won by Toni Stephan by guessing the correct weight. The pumpkin was brought in by Arthur Howse and weighed forty seven pounds.

The program began by seating the State Grange officers and local officers, followed with prayer by Mrs. Williams, Chaplain. A solo, "No Golden Harvest", was rendered by Tressa Stephan, accompanied by Marion Jean Millikin at the piano. The state Master's address for the Grange Booster night was read by Lacey Stephan, local master. This was followed with a poem, read by Flora Skingley. The history of this Grange was compiled and read by Laura Parker. There are only two charter members living, Hugo Schrieber and Dora Corwin. Hugo Schrieber was the only one present as Dora Corwin had left for Florida. Mrs. Ethel Hoyte Riley a member since 1903, came with her husband from Petoskey for the celebration. After the history reading Mr. Stephan sang "Memories". Master Lacey Stephan then introduced the first speaker of the evening, Vern Stockman, State Overseer, from Mt. Pleasant, who gave a very interesting talk on the change in the value of the dollar which was brought out quite impressively by a movie, "The Van Winkle" who went to sleep in 1931 and slept until 1951. He brought out some interesting facts about farm prices and the cost of living, and urged everyone to pay as you go.

The second speaker was W. J. Branke, State Deputy, Bellaire. He spoke on the History of the Grange in general.

The third speaker was Edward Chapman, District Deputy, from Alden. He spoke on the importance of everyone voting, also resolutions to State Grange Convention, which will be in Cadillac, October 23rd, 24th and 25th.

The program closed with the group singing, "We Sing To Grange Colors", followed by closing prayer by the Chaplain, Marion Jean Millikin. was pianist for the evening. After the program, Anniversary cake and coffee were served while the farm produce on display, was auctioned off.

Mrs. Menno Corwin was hostess to the Tuesday night bridge club on October 2. Guests were Mrs. Roy Milnes and Mrs. E. Elmore Hagg. Prizes were won by Mrs. Don Gottho and Mrs. Dale Pettengill.

Miss Joan Bond and friend, Miss Flo Wetzel of M. S. C., East Lansing, spent the week end with Joan's parents, Mr. and Mrs. Frank Bond. Mrs. Bond's father, James Taylor of Olivet was also a guest.

The Robert Bovees have been caring for Borchers Canoe Livery in the absence of the family. The Bovees recently spent the week end in Detroit.

Mrs. Bertha Peterson returned home Sunday after spending several days in Detroit as the guest of Mrs. A. E. Michelson. She accompanied the latter to Detroit on Wednesday. On Friday following the Notre Dame vs. U. of D. football game she attended a party at the D. A. C. given by Mr. and Mrs. Andrew Wilson.

Mrs. J. L. Martin, Mrs. Eugene Pappendick, Mrs. Clarence Roberts, Mrs. James McGee and Mrs. Herbert Olson left for Grand Rapids Tuesday to attend the annual Grand Chapter meeting of O. E. S.

Mrs. Ella Wilcox and Captain Ralph Routier attended the football game in Ann Arbor Saturday. Mrs. Helen Routier and son, Ralph, left for Detroit on Tuesday.

Jan Millikin observed her birthday on October 10th.

HARVEST SUPPER M. M. CHURCH

A chicken dinner will be served at Michelson Memorial Church on Wednesday evening, October 17, from 5:30 to 7:30.

The Matilda Bauman Circle will have an apron booth, the Mary Martha Circle hankies, and the Mary Ruth Circle jellies and baked goods.

No tickets will be sold at the door. Phone 2151 or 4821 or contact any member of the Mary Martha Circle who is sponsoring the project.

Woman's Club

The first meeting of the Woman's Club was held at the home of Mrs. Bertha Peterson, Monday evening. Miss Jeanine Sorenson gave a review of her stay at Wolverine Girls' State. A short business meeting followed. A dinner and program will be held at the Conservation Training School for the Woman's Club and Kiwanis on October 22. A card party is also being planned to be held at the Grange Hall on November 9 to which the public is invited.

Suggested Diet For Blood Donors

Volunteer blood donors of the Red Cross plasma procurement program were urged today to eat no fat on the day of their donation.

The Michigan Department of Health said that the blood of those who eat fats within four hours of the time they give blood usually cannot be used to make plasma or fractions.

If possible, the Department said, it is best not to eat within four hours of the time of donation, but if one must eat, these things should be considered:

Do not use milk, cream, butter, fried foods, gravy, fat meat, mayonnaise, salad dressing, vegetables which are seasoned with butter, milk, cream or other fat; pastries, such as pie, cake and doughnuts; soups which are made with fat; butter, milk or cream; or any rich desserts, nuts or peanut butter.

A suggested breakfast includes any fruit or fruit juice, any vegetable or tomato juice, a light sweet roll without butter or unbuttered toast with jam or jelly and black coffee or tea.

Suggestions for lunch include boiled tongue, breast of chicken or sliced roast beef with the fat removed; baked beans without fat or pork; broiled lean steak; vegetables without milk, cream or butter, salad with no dressing except vinegar, mustard or catsup; fruit for dessert, and either black tea, coffee, soda pop or fruit juice.

A dinner can be made up of the same things.

The person who gives a pint of blood wants it to be used to save lives. He must remember not to eat fats on the day of his donation, the State Health Department said.

Plan Memorial Service For James Kumpula

James Wesley Kumpula, a soldier in the Army died at sea on August 4th. His body has already been brought back and was buried September 16th in the family lot at Calumet, the Upper Peninsula.

As the Kumpula family has 30 many friends here in town a memorial service has been arranged in Grayling Lutheran Church, Sunday, October 14th at 3 P. M. Mr. Don Gottho will sing, Rev. John Enselmann will conduct the service and Rev. R. C. Puffer will say a personal word about this young soldier who passed away young.

See Larger Cash Prizes For Next Years Canoe Marathon

Expect Added Income From Television Rights

STANDISH—A September Friday afternoon start and substantially larger cash prizes are expected to add new life to the Sixth Annual Michigan Canoe Championship race next year, as the result of a lengthy, and at times spirited, meeting held at Standish last week.

Representatives of Oscoda, Grayling and Mio and the East Michigan Tourist Association met for dinner at the Trading Post and held their meeting following at the Summer Trails Inn.

Fran Congdon, representative of the Altes Brewing Co., sponsors of the "Michigan Outdoors" film, which was presented over television on Neff's program last week. He announced that it would be presented Thursday night over a Lansing station at 6:45 p. m.

Arrangements are also being made to show these films at Oscoda, Grayling and Mio within the next few weeks.

Hottest discussion of the evening came over the best time for the race. Oscoda's delegation held out for August and Grayling was set for September. Mio was inclined to go with Grayling. All communities stated that the retail

Girl Camper Drowns In Lake

Charlene A. Manier, 17, of Cassopolis drowned at School Section Lake Friday afternoon when a canoe overturned throwing her and two companions into the water about 40 feet from shore.

The girls arrived at Camp AuSable on School Section Lake on Friday with a group from Holly, where all attended a Seventh Day Adventist School. Camp AuSable is one of several summer camps operated in Michigan by the Seventh Day Adventists.

Karen Fern Townsend, 16, of Detroit and Marie Elizabeth Bruzel, 15, of Flint accompanied the victim in the canoe. Coroner Stanley A. Stealy who investigated said Miss Townsend could swim and assisted Miss Bruzel in reaching shore. Millicent Admister, 17, of Oscego, New York, who was swimming nearby, attempted to go to the rescue of Miss Manier, but the drowning victim disappeared beneath the lake's waters before Miss Admister could reach the spot.

Sheriff William Golinick and several Grayling residents dragged the lake for the body until about 3 A. M. Saturday morning when the search was called off for the night. On Saturday, the body was sighted by Burton Boger who was assisting in the search according to Sheriff Golinick. The victim's body was found about 75 feet from shore in about seven foot deep water.

The death was ruled accidental drowning by Coroner Stealy who stated that no inquest would be held. The body was taken to the Sorenson Funeral Home and then returned to Cassopolis later Saturday.

Services Held For Infant

Funeral services for Gregory James Lovely, infant son of Mr. and Mrs. Leo Lovely, of Grayling, were held Friday morning at St. Mary's Catholic Church here. The Rev. Fr. John Breitenstein officiated and burial was in Elmwood Cemetery. The infant was born Wednesday at Mercy hospital and died Thursday at the home.

business resulting from the event was a minor consideration.

Frank Davis, of EMTA, pointed out that the nationwide publicity gained from the race this year would be more difficult to obtain during the summer, when there are many other events in competition. Clippings were shown of pictures and stories from more than 60 newspapers and it was stated that 10 radio stations had used material on the race. Andy Munch, of EMTA, prepared these facts and the clippings display.

As a result of the compromise the date for the 1952 event will be Friday and Saturday, September 12 and 13.

A proposal to sell the television rights to the canoe race for a sum sufficient to meet all expenses of the race and to allow much greater cash prizes met with favor of the group. A committee composed of Ben Azer, of Mio, Howard Eymmer of Oscoda, Ray Snider of Grayling, and a Glennie member to be named, will meet with the representative of the potential sponsor to work out details.

Due to the unwillingness of Mio representatives to name a chairman until after the annual Sportsman's Club meeting, Mr. Snider was asked to continue as Temporary Chairman of the Canoe Race Committee. Clarence Eoff, finish chairman; Mr. Eymmer, treasurer; and Harry Curley, were named to represent Oscoda. Leslie Hunter, secretary; Jerome Kessler and Mr. Snider, will represent Grayling and Mio representatives will be announced later.

Present for the meeting were from Mio: Earl Durbin, Gordon Whitney, Rollie Eynart, Orson L. Sherwood, Howard McGinnis, Mr. and Mrs. Kenneth Fraser, Ed Sharp, John Byelich, Ben S. Azer, Howard Roth and Clare Hicks. From Oscoda: Carl Johnson, Ray Ewing, Harry Curley, Howard Eymmer, E. J. Tate, Dr. W. S. Osborn, Clarence N. Eoff, N. E. Brown, E. H. Stickney, Robert Fullerton and Berkeley Smith. From Grayling: Bernie Fowler, Ray Snider, Jerome Kessler, Les Hunter and Earl Durbin. Davis and Mr. Munch of EMTA, and Jimmy Donahue, of the Bay City Times, were also present.

Red Cross Blood Program October 24-25

The Crawford County Red Cross is sponsoring a community blood procurement program designed to secure sufficient blood for plasma and fractions to meet the needs of this county to be held on October 24 and 25.

The plasma procurement center will be set up in the Michelson Memorial Church basement. It is staffed by a doctor and nurses from the Michigan Department of Health, and local volunteers.

The center will be open from 2 P. M. on.

The blood collected here will be returned to our community as plasma and blood fractions. The amount we will receive depends upon the number of donations. The Michigan Department of Health has one of the few plasma fractionating laboratories in the country. The residents of Crawford County are fortunate to be able to obtain these products without charge, since their cost would make purchase by many individuals almost prohibitive.

This is your community program. Its success depends upon the co-operation of every healthy citizen between the ages of 18 and 60. Help safeguard the lives of your family and friends by going to the center. The life you save may be your own.

Call Mrs. Leo Jorgenson, phone 4781 and register today.

HOSPITAL NEWS

Among those discharged from Grayling Mercy Hospital during the past week were Mrs. Cynthia Hanna, Mrs. Oscar Goss, Louis Jensen, Mrs. Cynthia Knecht, Mrs. Margaret Wainwright, Carl Waite, Harry Reynolds and Mrs. Helena Callahan.

Among those confined to the hospital are Thomas Roby of Frederic, Mrs. Rosetta Lembe, George Lowe, Ernest Borchers, Terry Lee Denewitt, Patricia Winslow and Theodore Callahan.

Mr. and Mrs. Dan Babbitt recently sold three lots at Babbitt's AuSable River Park to Bewmann Marshall Company of Lansing. They plan to erect a summer home on the property right away. The B. L. Davies of Jackson also have a building under construction at the Park. Ted Engel and Ted Stephan are the contractors.

Joe and Dick Nagy, bow and arrow manufacturers from Toledo, Ohio, each bagged their deer early in the archery season.

Creating Capitalists

Of late years, some corporations have experimented with giving stock to workers instead of cash bonuses at Christmas and on other occasions. In some cases the stock is the corporation's own; in others, a diversity of shares in a number of outside concerns is chosen.

One company which changed from cash to stock bonuses recently made an informal canvas to find out how the new "capitalists" reacted to the idea. They learned that the majority of the workers thought it excellent. Some of the beneficiaries said that they were pleased with the return on the investment, which was larger than for other forms of saving. Others said that stock ownership helped to improve a man's credit rating. Other said that they liked being a part owner of the company for which they worked. Others still said that the gift caused them to take a sustained interest in such things as the financial statements of corporations and the financial pages of newspapers. Most of the workers planned to keep their stock, instead of turning it into cash.

The big point is that widespread stock ownership—whether the employee is given shares as a bonus or buys them on his own hook—is just about the best possible antidote to communist and other left-wing propaganda. The reds and the pinks follow a common line in arguing that capitalism is a system under which the many are always exploited for the benefit of the few. That argument falls flat on its vacant face when the facts are known—and when the profits of business are distributed each dividend season among millions of people, most of whom have moderate means and average kinds of jobs.

When a man or a woman buys or is given corporation stock for the first time, a new capitalist is created. And the economic system on which our living standards and our freedoms depend is strengthened once again.

— IT'S MOVIE TIME IN U. S. A. —

IT'S A FIREBALL ENGINE

Some-where a Road is Call-ing

If the purr of a great-powered engine is music to your ears —

If command of two tons and more of nimble-footed and beautifully balanced automobile can step up your pulse beat—

You are just the man for whom a ROADMASTER was engineered.

Whatever it takes to give you a sense of complete and carefree freedom behind its wheel, you'll find in this proud master of the highways.

Added to the breadth and length that any

fine car can give you are four soft-action coil springs to cushion the wheels, and a torque-tube to banish rear-wheel wander.

Added to its high-compression, valve-in-head engine are eight exclusive Fireball combustion chambers that get extra power from each whirling charge of fuel.

Added to the convenience of clutch-free driving is the torque-converter principle of Dynaflo Drive — that feeds a steady flow of power without lag or falter ever.

Added to the light responsiveness of

its steering wheel is a Buick-engineered "front-end geometry" that gives this phenomenal performer a sense of direction straight and true.

But no roll call of engineering accomplishments can tell you the feel of a ROADMASTER out on the road.

That's something that only firsthand acquaintance can bring. Not just a trip around the block — but enough time and enough miles to let you discover what a joyous companion this great car can be.

That's something that is easily arranged. If you're truly interested, a phone call will bring a ROADMASTER to your door.

Move Liquor District Office To Gaylord

District offices of the Michigan Liquor Control Commission were moved from Saginaw to Gaylord, located in the Cook building, effective October 1. It was announced by George G. Burke Jr., commission chairman. In charge of the office are Louis Stillwagon of Grayling and Maurice Ramstein of Alpena, supervisors.

The Gaylord district embraces 30 counties north of the Bay City line to the Straits of Mackinac. The other district office, handling southern counties, formerly in Grand Rapids, was relocated in Allegan.

Mr. Burke said the "moves are based both on greater operating efficiency and also on economy." He felt the move to Gaylord was advantageous because of the location of the State Police post, as the investigators work closely with the state troopers.

Since Gaylord is located centrally for the area covered by the district, Mr. Burke said the office will be able to work more efficiently since the supervisors are going into the field with the nine investigators. With the offices in Saginaw, much travelling was necessary to investigate.

The new locations are equidistant from the four boundaries of the districts, Mr. Burke said. The commission will keep the Lansing office, covering the central and Thumb section of the state, and the one in Detroit handling the metropolitan area.

Mr. Burke said the changes were necessary since rent boosts were asked in both Grand Rapids and Saginaw, while comparable space in the new offices were available at half the cost.

A lot of temperamental toes in the Michigan tourist industry were stepped upon collectively by staff report No. 23 on reorganization of state government.

The report, as drafted by the Citizens Research Council of Michigan (successor to Loren Miller's Detroit governmental bureau), was submitted to Rep. Robert M. Montgomery, chairman of the state joint legislative committee.

Recommendations include: Require the four regional tourist associations to match state aid dollar for dollar up to \$100,000 a year (\$25,000 each). Then decrease this amount until no state funds are granted.

Permit the governor to appoint five members to the Michigan Tourist Council without present requirement that they be nominated by the four regional soci-

ations. The four association secretaries would be deprived of their right as ex-officio members.

The state director of "tourist development and promotion" would serve as secretary of the Tourist Council and also of the Soo Locks Centennial Celebration commission. The council now has its full-time director, while the commissioner is planning to appoint one in the near future.

The report challenges the principle that it is good business for the State of Michigan to subsidize, in part at least, the cost of advertising Michigan as a tourist state. A quote: "During the 1947-49 biennium The State of Michigan contributed 35 per cent of all the funds spent on tourist promotion and publicity."

Actually, Michigan has lagged behind other competitors in the amount of money being spent for tourist promotion. Tourist leaders believe more money should be spent, not less. The big rub apparently is this: Who is going to provide the money? The State of Michigan 35%, or the tourist industry 100%?

Speculation as to aspirations of G. Mennen Williams to the vice-presidency's nomination in 1952 virtually has been dead.

But one observer brings up an interesting possibility. If Williams is re-elected governor in 1952 and IF Williams were to defeat Sen. Homer Ferguson (or whichever Republican runs for the senate chair) in 1954 he would perhaps be the brightest star on the presidential horizon.

Remember, Williams was touted to go down in ignominious defeat in 1950. He was expected to be snowed under in 1948. Republicans may be convinced he'll never be re-elected again (no Democratic governor yet has succeeded himself twice as Michigan governor) but the G.O.P. is doing a bit of whistling in the dark.

The on-again-off-again variable of the state—the draft—has popped up again. State draft quota for November was jumped from 2,417 to 2,787 to "cover last minute emergencies." The nature of the "emergencies" was not disclosed. Childless husbands now are subject to call.

While some states are having trouble spending all the federal aid money for wildlife project being funneled in through a formula based on area of the state and number of licenses, Michigan will get only 83 cents per licensed hunter. Nevada large in area and low in population, gets \$13.07 per licensed hunter but can't put up the required matching funds.

Dingell-Johnson receipts derived from tax on fishing tackle take care of fishery projects. Some \$2,900,000 was realized last year.

A change in routine: Elmer N. Young, 45, is reported to have quit a \$114 a week job with Wayne county government because he refused to admit that his war record entitled him to special consideration. Says Young: "If I have to wave a flag and pose as a war hero to hold a job, citizenship has lost all value."

Looks as though Michigan will get its new state office building. National production authority has agreed to release 350 tons of steel. Another application must be made by Jan. 1, for the next quarter. If it requires as many telephone

Lake Margrethe Water Levels

(Information furnished by U. S. Geological Survey)

Minimum level for period of record Sept. 24-27, '48 1133.57 ft.

calls and loss of expensive time to high paid officials it will be cheaper to do without the new building.

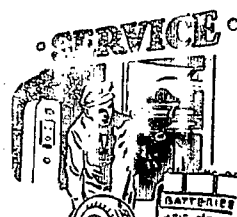

The state administrative board has approved spending \$118,254 for repairs of access roads to 20 state institutions.

Awards for construction in August fell off 13 percent from July in Michigan.

The "Little Hoover commission" studying reorganization of state government is dubious about the little legislature's legality. The little legislature may be called in to authorize expenditure of limited sums for urgent needs when the full legislature is not in session, and has been doing so for years. A constitutional amendment may be necessary to legalize the body's status.

The commission also has rejected a proposal that the highway

commissioner and state director of agriculture be appointed by the governor. The commission will investigate duplication of jobs in the latter department.

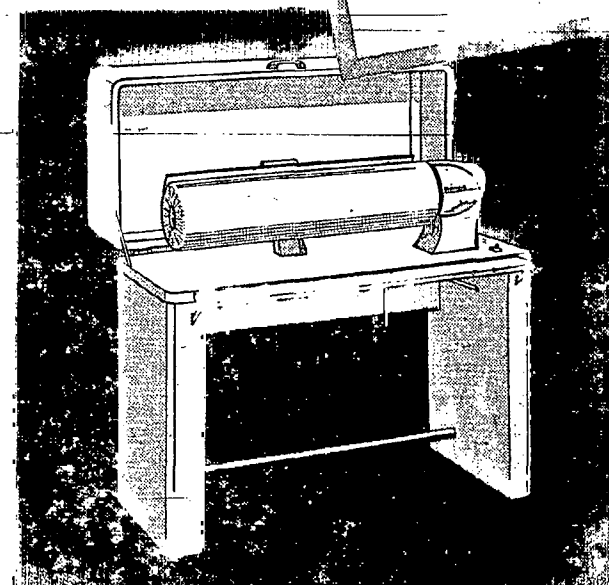

Michigan State College's fall enrollment is 9.4 percent less than last year but still 1,000 more students than expected. This is the

nation-wide trend.

Potato production this year is expected to be down about 20 percent—nearly the amount of last year's surplus. Corn probably will show moderate price weakness during the harvest and near-record production of soy-beans is predicted to depress prices.

From where I sit... by Joe Marsh

Our Bank Says "Help Yourself"

People around here need lots of small change these days — what with candy, gum, cigarette and soft drink machines... pay phones... and those penny sales taxes.

Used to put a strain on our bank. Changing money took up a lot of time. Then the Chief Teller Happy Wilson, read about another bank using a "help yourself" change system. The directors decided to see if it would work here.

They set out some big shallow bowls full of nickels, dimes and pennies with a sign saying "MAKE YOUR OWN CHANGE." Works fine,

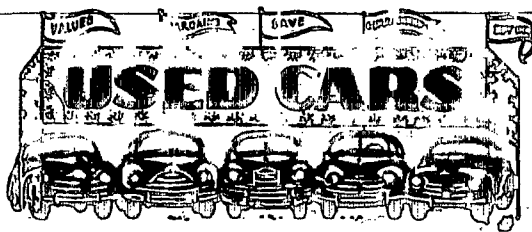

too. At the end of the day the totals are never more than a couple of cents under—or over—the right amount.

From where I sit, folks everywhere are pretty much alike, although they may seem different. Farmers and city folks, Republicans and Democrats, those who enjoy a glass of beer occasionally and those who prefer something else—we all usually try to live up to the trust others have in us.

Bits O' Talk

The Misses Jeanine and Rita Sorenson, Duane Sloan and Earl Jensen attended the wedding of Miss Helen Herda to Peter Nowicki held at the Sacred Heart Church, Grand Rapids, and the reception following at Kosciuszko Hall. Peter is a cousin of Jeanine and Rita.

Mrs. George Kraus left Thursday to spend a few days in Chicago.

Karl Golnick was thirteen years old on October 2nd and celebrated with a party on Thursday.

Mr. and Mrs. Alfred Sorenson and daughters Denise and Marcia went to Detroit Thursday. They were accompanied by Mrs. Pearl McFarland and Mrs. Nora Freeman who had been visiting the Charles Piper family.

Mr. and Mrs. Harry Hedrick left for Flint Sunday to spend a few days.

For better vision see Dr. Glover at Shoppenagons Inn on the 2nd and 4th Thursdays each month.

Mrs. A. E. Michelson has returned to Detroit after spending the summer at her cottage at Lake Margrethe.

Mr. and Mrs. Joseph Cinciala and her father Stanley Gatz of Bay City and Mr. and Mrs. Carl H. Nielsen Sr. returned home Wednesday after spending several days in Marquette visiting Mr. and Mrs. Russell Roberts. While fishing with Leo Gannon Mr. Cinciala caught a 28½ inch Lake Superior trout.

Jack Wilson spent several days in the Upper Peninsula last week bird hunting.

Mr. and Mrs. Clare Madsen and son and Mr. and Mrs. Stanley Madsen were in Marquette last week from Thursday until Sunday to attend the Lakes State Loggers Congress.

Mark Anderson, son of the Batch Andersons celebrated his fifth birthday on September 30 with a party for 10 friends. Games with prizes and the traditional birthday cake and ice cream were enjoyed.

Among the lucky (or should we say, expert) archery hunters are Edward Hertel, Grand Rapids; Kenneth Moore, Flint; and Andrew VanLoon, Grand Rapids. All three men have nice deer hanging in the Burrow's Market freezer unit via the bow and arrow route. VanLoon's deer is a buck with horns at least one-quarter of an inch long. He admitted that he did not know it was a buck when he loosed his arrow.

Final rites were read at the Sorenson Funeral Home on Saturday, September 29th for Henry H. Bowers. Rev. L. Hall officiated and interment was in Oakwood Cemetery, Frederic.

Mr. Bowers was 72 years old having been born to William and Anna Bower in Mason County on July 4, 1879. He was found dead in his cabin one mile south of Frederic on September 26. Death was attributed to a heart attack.

He is survived by a sister Mrs. Martha Bond of Buckley, Mich.

Frederic Resident Laid To Rest

Home Extension News

The Crawford County Home Extension Clubs are having their Achievement Day October 10 at the Grange Hall in Grayling.

The Day will start at ten o'clock when each group will set up an exhibit of extension lessons they have studied.

A pot-luck dinner will be held at noon.

Mr. Orville Walker, County Agricultural Agent will show slides on happenings of Crawford County as part of the afternoon program.

Public Policy Meeting Wednesday, October 17

Matters of public policy ranging from socialism, big business and big government to morals, ethics and free enterprise will be discussed at 10 meetings throughout the lower peninsula in late October and early November.

Representatives of all groups that make up the community are expected to take part in the public policy meetings, sponsored by the Cooperative Extension Service of Michigan State College.

The meeting for Crawford County folks will be held at Grayling, Wednesday, October 17th.

State extension service workers have especially urged that newspaper and radio representatives attend the meetings so they can report discussions to their readers and listeners.

They point out that there seems to be a general feeling of alarm over such questions as "Are we drifting toward Socialism?" "Those who want to 'do something' about this situation are finding the problem exceedingly difficult to come to grips with."

It is to point up some of the problems involved in this alleged "drift" of ours that the public policy conferences have been planned, M.S.C. extension leaders point out.

B. D. Kuhn, state agricultural extension leader at Michigan State College, says that "in the years ahead the decisions that people make on questions of policy will have more influence on their lives than any other actions they take."

LEGAL NOTICES

STATE OF MICHIGAN
The Probate Court for the County of Crawford

At a session of said Court, held at the Probate Office in the City of Grayling in said County, on the 5th day of October, 1951.

Present, Honorable Ray F. Clement, Judge of Probate.

In the Matter of the Estate of Jessie G. Morse, Deceased.

Edward A. Lowrie, having filed his petition, praying that an instrument filed in said Court be admitted to Probate as the last will and testament of said deceased and that administration of said estate be granted to petitioner or some other suitable person.

It is Ordered, That said 5th day of November, 1951 at nine A. M. at said Probate Office is hereby appointed for hearing said petition.

It is Further Ordered, That public notice thereof be given by publication of a copy of this order once in each week, for three

weeks consecutively, previous to said day of hearing, in the Crawford Avalanche a newspaper printed and circulated in said County.

Ray F. Clement
Judge of Probate 11-18-25-1

What a Wonderful Story
the Price Tag Tells!

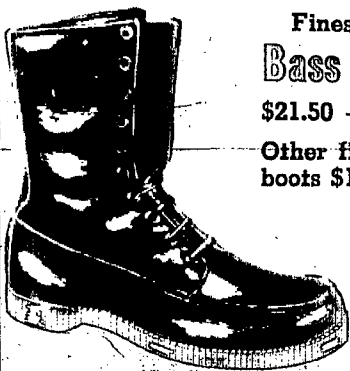

Equipment, accessories and trim illustrated are subject to change without notice.

WE'D like you to come in and hear a wonderful story.

First of all, it's the story of a great car—a car whose name is respected and admired everywhere in America. We are sure that the word "Pontiac" means something distinct and different from any other name in the motor car world.

The word Pontiac means a good solid citizen—a thoroughly good car—a beautiful car—a

OLSON'S

Bits O' Talk

Recent guests of Mrs. Alfred Galloway were Mr. and Mrs. W. M. Luger, son and daughter of Gaylord and Mrs. Blanch Beals and Mrs. Frank Phillips of Sparr.

Dr. and Mrs. B. E. Henig left Sunday for a two weeks trip through the east. Their mothers are taking care of the children during their absence.

Mrs. Harry Reynolds and son, Richard of Midland spent the week end here to visit Mr. Reynolds who is convalescing at the home of Mrs. William MacNeven.

Dr. and Mrs. C. G. Clippert returned home from Newcastle, Indiana Sunday evening, after spending a week.

Mrs. Tom Robertson, Mrs. T. P. Peterson, Mrs. Ebbert Olson, Mrs. John MacAuley, Mrs. Stanley Stealy, Mrs. Les Welch and Mrs. Bill Joseph attended the annual Woman's Club convention held in Gaylord last Tuesday and Wednesday.

The Woman's Clubs of Michigan have decided to sponsor a "girl's town" and hope to be able to purchase the AuSable Ranch between Grayling and Gaylord as the site for the project.

Mrs. Stanley Blackmer and daughter, Donna spent from Wednesday until Saturday at Pigeo Lake visiting Mr. and Mrs. Harry Allen. Saturday guests at the Blackmer home were Mr. and Mrs. Harry Pew of Lansing and guests on Sunday were Mr. and Mrs. Hervey Allen of Lansing.

Mr. and Mrs. Arthur Allen of Midland and Mr. and Mrs. Harry Allen and son, Larry.

Rummage sale, Fri. and Sat. Oct. 19 and 20. M. M. Church. Good supply of merchandise. 11-18 Mr. and Mrs. Clarence Cross and daughters, Sally and Carol and Mr. and Mrs. Stuart Rutledge of Roscommon spent Sunday visiting the ladies brother and family, the Wilbert Swansons at St. Ignace.

Clyde Peterson and Gerald Herrick were in the Upper Peninsula hunting Sunday.

Pastor Ralph Claus of the Trinity Lutheran Church of Gaylord who is also pastor for Grayling and Lewiston turned down a call he had received to serve in Utica, Michigan and will continue to serve here.

Mr. and Mrs. Earl Nelson are spending a weeks vacation in Wausau, Wisconsin.

Mr. and Mrs. Jim Kolka of Mt. Pleasant spent the week end here visiting her parents. Mr. and Mrs. Harry Hoen.

Miss Lillian Hill and Mrs. Frances Butler of Dearborn were overnight guests at the Robert Strong home Saturday.

The Misses Shirley Kolka and

Nancy Sorenson spent from Wednesday until Sunday in Bay City. Mrs. Charles Mosier and children and Mrs. Herluf Sorenson spent a day in Cadillac and Traverse City last week going to see the new baby daughter of Mr. and Mrs. Paul Anderson in Cadillac.

Mrs. Marius Rogalle is a patient at the Gaylord Hospital.

Mrs. Frank May, Sr., is in Midland visiting her daughter, Mrs. George Daniels and family.

Charles Mosier was in Detroit Friday and drove back a new DeSota. In view of all the snow here Sunday the Mosiers were quite surprised to discover their lilac bush in bloom.

Fred Parks of Bay City was up for bow and arrow hunting the past week end and got a deer.

Week end guests at the William LaRush home were Mr. and Mrs. Burt Perry of Detroit and Mr. and Mrs. Bryce Perry and sons, Steven and Lorie of Willow Run.

Bill Perry of Cheboygan was here visiting his mother, Mrs. James Perry and Mr. and Mrs. Claude Cardinal.

Misses Viola Lazarowicz and Bonnie Cooper spent a few days with Mr. and Mrs. Arthur House and Mr. and Mrs. John Wilcox of Maple Forest.

Misses Margrethe and Olga Nielsen and Mrs. Marion Burtch spent last Saturday in Grand Rapids visiting the former's sister, Miss Anna Nielsen.

Julie Hunter, polio victim was able to begin school again on Monday.

Mr. and Mrs. Nels Corwin left Monday to spend the winter in Bradenton, Florida.

Mrs. E. Liinank of Calumet is visiting her daughter, Mr. and Mrs. Wesley Kumpula.

Col. and Mrs. Howard Derby of Charlotte were over night guests of the Willard Cornell family last week en route to their home from the Upper Peninsula.

Mrs. Signe Randolph returned home Monday evening from Cadillac where she had spent two weeks with her daughter and family, the Stanley Stephens.

Mr. and Mrs. Leigh Litchfield of Detroit came up last week end to close up their cottage at Lake Margrethe for the season.

Mr. and Mrs. E. J. Birdsall left for Detroit Sunday morning to be present at the Golden Wedding celebration of their friends, Mr. and Mrs. Frank Schanoff.

Mr. and Mrs. Stanley Flower were in Algoma, Wisconsin from Thursday until Monday, visiting Mrs. Flower's mother who is ill.

FETED WITH SHOWER
Mrs. Fred Welsh, Jr., and Mrs. Leonard Knibbs were co-hostesses on Thursday, September 25 at a stork shower at the home of Mrs. Bill Joseph honoring Mrs. Tom Welsh.

Twenty-five ladies were present. Arrangements of mums in autumn colors were placed around the rooms and the refreshment table was centered with a stork. Mrs. Welsh was presented with many lovely and useful gifts.

IN MEMORIAM
In memory of Pfc. Donald L. Canfield whose funeral was on October 4th, 1951, after he had been shipped back from Korea.

No flowers or words could say how we feel.

A precious friend from us has gone.

A voice we loved is still.

A place is vacant in our crowd which never can be filled.

But our hearts will be brighter and lighter with the memories of your life with us.

Mrs. A. Galloway.

CARD OF THANKS
Words cannot adequately express our deep appreciation for the many kind and sympathetic acts that came to us at the time of our recent bereavement.

We especially wish to thank the singer the Legion and Rev. Puffer.

Wesley Canfield and family.

CARD OF THANKS
I want to thank all my friends who were so kind and thoughtful while I was in Munson Hospital.

May God Bless each one.

Wesley Canfield and family.

Ford Leads
the V-8 parade

"3 more makers have switched to V-8's
in the past three years alone!"

"It's the same type of engine power
America's most experienced"

"It's the same type of engine power
America's most experienced"

With the lowest priced V-8 of all!

Yes, Ford's V-8 is America's lowest priced V-8, priced hundreds less than most makes of Sixes. Yet it's the same type of engine you find in America's highest priced cars!

With the savingest V-8 in America!

Ford's V-8 (like Ford's Six) has the Automatic Mileage Maker to bring you more "go" for less money than any other car in America!

With the only V-8 in the low-price field!

Ford alone offers you V-8 power in the low-price field. No other manufacturer can match Ford's 19 years' experience building nearly 12 million V-8's!
